

Alcindor Corp is a Small Disadvantaged Business (SDB) providing agile procurement, technical infrastructure support, and commercial logistics solutions to federal, state, and local government agencies. Drawing on experience across managed IT support, commercial real estate, and fleet logistics, Alcindor Corp serves as a single, responsive point of contact for the sourcing and delivery of critical assets and services — structured to compete cleanly across both small business set-aside and full-and-open acquisition channels.

SET-ASIDE CAPABILITIES

Product supply under the SBA Nonmanufacturer Rule pathway.

- **IT Hardware & Peripheral Supply** — wholesale sourcing and delivery of enterprise desktops, laptops, mobile devices, tablets, printers, and monitors (NAICS 423430, 423420)

FULL & OPEN / TEAMING CAPABILITIES

Pursued via full and open competition, GSA Schedule, or as a subcontractor/teaming partner to a prime.

- **Technical Helpdesk Operations** — Tier 1-3 remote support, hardware migration, device configuration, and system onboarding (NAICS 541513)
- **Web & Digital Infrastructure** — website programming, interface deployment, and digital asset management (NAICS 541511)
- **Flex-Space & Office Leasing** — sourcing and subleasing of short- and long-term commercial property, office space, and storage facilities; performed as a MA-licensed real estate salesperson under a supervising broker (NAICS 531210, 531120)
- **Vehicle & Fleet Logistics** — short-term rentals and multi-month leasing of sedans, cargo vans, trucks, and utility trailers (NAICS 532111, 532112, 532120)

DIFFERENTIATORS

- **Small Disadvantaged Business** — self-represented SDB status in SAM.gov under 13 C.F.R. §124.1001, applicable toward agency SDB participation goals
- **Compliant Set-Aside Positioning** — product-supply offerings structured to align with SBA Nonmanufacturer Rule requirements; service offerings pursued through full and open, GSA Schedule, or teaming channels
- **Established Sourcing Network** — working relationships with domestic hardware distributors, fleet vehicle networks, and regional commercial real estate markets
- **Direct Executive Oversight** — all engagements are personally managed by ownership for responsive, single-point-of-contact communication
